### Clarity and Focus

Present your ideas directly and include only information on your main topic.

The writer's topic or topic based on the focus

The writer's idea or topic,

The writer has an idea or topic,

It is difficult or impossible to identify the main idea, or subject

*SGREL + scoring assistant is not for scoring quality of writing;*

It is difficult or impossible to identify the main idea, or subject

### Use of Evidence

When explaining the topic, use information from the source to make your essay clear and correct.

Even if the evidence is not directly related to the topic, it is used to support the main idea.

*SGREL + scoring assistant is for scoring correctness of response*

It is difficult or impossible to identify the main idea, or subject

### Development of Ideas

Use facts, definitions and information from other sources to describe your understanding of the issue or topic.

The writer's topic or topic based on the focus

*SGREL + scoring assistant is for scoring correctness of response*

It is difficult or impossible to identify the main idea, or subject
